

OLD HARRISONIAN SOCIETY (OHS)

The OHS a registered charity, is established to (among other objects):

1. Foster friendly relationships between members
2. Assist Harrison College by the provision or improvement of facilities
3. Promote the welfare of the College
4. Encourage social fellowship between members

Over the last few years OHS has raised significant funds to pave the school's driveway from the Roebuck Street gate to the Crumpton Street gate, build the Commemorative Wall, repair and update the mechanism of the War Memorial Clock, provide the Music Department with new instruments and refurbish the E. W. "Heads" Marshall pavilion. Each year donations are made for example to provide scholarships, purchase athletic trophies, assist members who have fallen on hard times, acquire books for the library, purchase computers and assist student organised clubs.

On the social front OHS has for some time held annually a number of events such as a family barbecue, sports activities and lime in Founder's Week, an Awards Dinner and Christmas Party. Other social activities tried from time to time have included a fish fry, crop-over jump-up, games evenings and cruise. The website is found at www.oldharrisonian.org.bb.

OHS MEMBERSHIP APPLICATION FORM

Name (Mr./Mrs./Miss): _____

Address Home: _____

Business: _____

Telephone Home: _____ Business: _____

E-mail Address: _____ Date of Birth: _____
